Mount Litera Zee School Partners with Society for the Promotion of Indian Classical Music and Culture amongst Youth (SPIC MACAY) to Promote Indian Cultural Heritage amongst its Students

Program will be Introduced Nationally Across all Schools of Mount Litera Zee School

It gives me immense pleasure to inform you that Mount Litera Zee School (MLZS) has partnered with SPIC MACAY (Society for the Promotion of Indian Classical Music and Culture amongst Youth), an esteemed non-profit voluntary movement, to promote Indian Cultural Heritage across its network of schools.

With this partnership, all our schools will embark on a program that will accommodate the diversity of our cultural heritage and going forward all new MLZS opening across the country will also be running the program.

The program intends to sensitize MLZS students about India's age-old and valuable heritage, which is slowly being forgotten.

Through this association, we aim to empower you to provide the best and all-round development to a child in your respective centers in the field of Indian Classical Music and Culture. Today, MLZS is recognized across the country for imparting the very best in education. This has been achieved through an unwavering support and co-operation of our business partners like you. With our partnership with SPIC MACAY, we hope that this will be an added highlight to your schools and will drive interest and more enrollments.

MLZS and SPIC MACAY have collaborated to shape an interactive and activity based program. As part of this program, events would be conducted by SPIC MACAY at MLZS schools, based on its various modules comprising of Indian classical music & dance, folk, talks by eminent people from different fields, screening of cinema classics, craft workshops, yoga & meditation, heritage walks. Heritage Clubs will be formed at each school. Weekly presentation sessions are devised to ensure students share their understanding of Indian heritage. Students will also get to participate in SPIC MACAY's National/State/Zonal Conventions, which would inspire them to take this movement forward in their zones.

The contact details of SPIC MACAY representatives are attached and they shall be reaching out to you for implementation of the program at your school. This program will be at a cost, which will be a transaction between the school and SPIC MACAY.

It shall be our continued endeavor to add more and more such flagship programs across your schools. Together we shall build a school brand that we can all be proud of and your support and passion in driving it is what will make it a grand success.

All the best for your academic session and I hope we can continue to drive excellence across the network with your support.
